Warrimoo Week is coming!

**Sunday November 3rd -
Saturday November 9th 2013**

- The inaugural Warrimoo Week is coming up, and we invite all Warrimoo residents to **feel part of it and be part of it**, and make it an event to remember in 2013, a very special heritage year for Warrimoo.
- If you want to have your Springtime Garage Sales, do up your gardens, put up your Christmas fairy lights a little earlier, erect a Scarecrow in the front yard, or in fact do anything else a little out of the ordinary, please feel free to do so, to create a celebration atmosphere during the week.
- Warrimoo Week's "bookend" events are the **Warrimoo Public School Spring Fair** and the **WCA "Ball in the Hall"**.

Community Arts Group

- Warrimooians Liz Hale and Lucy Keady are keen to find others of all ages who are interested in setting up an Arts Group:
 - to reflect our creative community during Warrimoo Week and beyond, through art projects including photography exhibitions
 - to add to the sense of community participation and involvement using art as a tool
 - by creating a directory of Warrimoo artists (note the group isn't limited only to established artists!)
- If you are interested please email Liz and Lucy via wca@warrimoo.org

Moo'vin and Groovin' at the Moo

- **Wow!** -

- This concert involving three main acts:
 - the **Warrimoo PS Drummers (Hands Heart and Feet)**, led by John May;
 - the '**Moo Choir**, directed by Suzanne Langford (assisted by Kate Swaddling),
 - and singer/songwriter **Julia Jacklin**, took place at the WPS Hall on Sunday afternoon, August 25th.
- The function was enjoyed by an audience of 100+, who were treated to some magical cross-generational entertainment. People of all ages appreciated the talents of others in their neighbourhood. "This brings us together" was a commonly heard response to the afternoon.
- WCA arranged the event, supported by Warrimoo P&C. Funds raised amounted to ~\$600, well done!
- Our heartfelt thanks go to the legion of wonderful performers, canteen heroes, set-up crew, musical leaders, cake makers and attendees who made this community event the success it was.
- See www.warrimoo.org for a further summary, photos and thankyou's.
