## Thank you, Tony.

- Tony Montgomery, our outgoing Treasurer, has joined Allen Bewley and Trish Mungovan in retiring from the “front ranks” of service for the Citizens Association this year.
- Tony has done a wonderful job as Treasurer for some 18 years now, and his fastidious care and reliability in balancing the books will be sorely missed. His position is now being taken by Bob Treasure.
- Tony is also renowned for delivering his reports from Blue Mountains Conservation Society, an integral part of any WCA meeting—these thankfully, will continue as long as Tony can attend.
- Thank you, Tony, for such loyal, dedicated and enthusiastic involvement in the Executive of Warrimoo Citizens Association.
